**Something New is Coming to Community Service Area #10:  
ActiveNet Registration System**

Lyndale Farmstead, Martin Luther King, Fuller, Painter Parks and the Minneapolis Park and Recreation Board (MPRB) are excited to introduce you to ActiveNet, our new activity registration and reservation system. ActiveNet provides a “one-stop-shop” for you to register for activities, facilities, sports leagues and special events.

Using ActiveNet is easy and convenient. Accounts can be created for an individual, family or group. They can be updated as your needs change, and you can obtain reports of transactions, activities and schedules.

The user-friendly search function uses age, activity, location/facility, date, phrases and words to effectively narrow down your search of the vast selection of MPRB’s recreational opportunities.

**To access ActiveNet visit our rec center page online at [www.minneapolisparcs.org](http://www.minneapolisparcs.org) – Recreation Centers dropdown, or under Quick Links on the home page: ActiveNet Program Registration.**

We are phasing in ActiveNet through winter 2011, so we appreciate your patience as we add new activities, facilities and events. When the system is fully implemented, you will be able to reserve a picnic shelter or wedding site, buy cross country ski passes, rent canoe racks, sign up for golf lessons, find volunteer opportunities, and a variety of other activities.

We hope you enjoy using ActiveNet as you explore and experience the Minneapolis Park System. Don’t hesitate to contact us if you need assistance by calling 612.370.4908 or e-mailing [alynch@minneapolisparcs.org](mailto:alynch@minneapolisparcs.org) Rec center hours are: Tues-Thurs 2:00-8:00 p.m., Sat 9:00 a.m.-1:00 p.m. You can stop by our rec center at 3900 Bryant Ave. So. and we can show you how ActiveNet works.

**You can also call the MPRB Customer Service Department Monday-Friday from 8 a.m.-4:30 p.m. at 612-230-6400 if you need help or have questions.**
