

Dear Members of the Fifth Precinct's CARAG, Lyndale, Kingfield, East Harriet, Whittier Neighborhoods:

Information about the crime involved is on the 2nd page of this document.

We are notifying you of a recent arrest of an individual in or around your property or your neighborhood. We are asking that you tell us how you feel about this crime and/or offender and how this impacts your quality of life. We will give your input to the judge, who will review your input before sentencing. **You do not have to be a direct victim of the crime or see the crime to give us your input.** Your input truly makes a difference.

How to write an impact statement? There is no right format and you don't have to be creative. Many community members convey the same message on each of the impact statements that they write.

Generally, you can start by stating how you have been impacted: financially, emotionally, physically, and so on. You can end by describing what you are hoping the court will do: send the person to jail, order the person to get treatment, order the person to get employment, order the person to stay out of a particular area (i.e. a geographic restriction for a particular neighborhood), sentenced to service for garbage pickup, graffiti removal and so on.

Remember: it is more important to send an impact statement than to worry about how it is written. Just send it! Whatever you write will be presented and can improve the safety of your community.

Keep in mind that your statement can be written and submitted by you or any neighborhood entity, block club, neighborhood association or business. So, it is perfectly acceptable if you would like to write one on behalf of neighbors, your family, or any other group representing a portion of the neighborhood, provided they have agreed to you doing so.

Please return your statement by September 17, 2010 to assure that your statement arrives in time for the offender's court appearance.

The quickest way to get these statements to us is to hit "Forward," add Elizabeth.Clark@ci.minneapolis.mn.us to the "To:" line, fill in the blanks, and send. Thanks for your help with reducing crime in Minneapolis!

COMMUNITY IMPACT STATEMENT

Impact statements are used by Police Officers, Probation Officers, City and County Attorneys and the Courts to show the negative impact an individual has on a community. This is the community's opportunity to speak out on individuals whose activities affect their sense of safety and well-being in their neighborhood.
