East Harriet Farmstead Neighborhood
Crime, Safety, Transportation and Noise committee
August 19, 2013

Attendees: Melissa Gould, Kevin Larson

Agenda:
Fairskies: The last meeting for Fairskies was in June. Here's a map showing the proposed new flight path in East Harriet going from 20 flights per day to 100 with the proposed (and postponed) implementation of RNAV.

Katana Consulting

Suggestions for staying informed and getting involved include:
1) Visit the MSP Fair Skies webpage at www.mspfairskies.org and sign the petition, "Make your Voice Heard"
2) "Like" MSP Fair Skies on Facebook
3) Contact your representatives (see website for contact information)
4) Demand that this year's mayoral and city council candidates support our cause before agreeing to support them.
5) File noise complaints for airplane noise over your home at this website: www.macnoise.com/our-neighbors/file-noise-complaint or call the Noise Complaints Hotline (612) 726-9411

August 27, 2013 Airport noise forum: Representative Keith Ellison held the forum to hear from the residents and their concerns. Over 400 people attended the forum. Answers to the questions will be made available on the representative's web page and Fairskies.

East Harriet annual meeting and festival: The CSTN committee contacted the 5th precinct to see if an in kind or shared expense could be achieved for the festival. To get a permit to serve beer, an officer needs to be present. The 5th precinct is working to support the neighborhoods efforts.
