

East Harriet Farmstead Neighborhood  
Crime, Safety, Transportation and Noise Committee  
September 20, 2010, Meeting

Attendance: Jack Kelly, Amy Lavender, Roger Worm, Matt Perry, Michael.

Agenda:

Courtwatch: The "persons of interest" were reviewed. Courtwatch can be attended by any resident of Minneapolis. More information is available on the East Harriet website.

Crime stats: The crime stats for East Harriet were reviewed for the 3 months of June, July and August, for 2009 vs 2010. There was a 50% reduction overall in crime in East Harriet.

East Harriet Policing Plan; Amy Lavender will be helping to shape and define the goals and plan for East Harriet's policing plan for 2011. The overall goal is for more community awareness and involvement. Achieving this will be the CSTN committee's objective.

40<sup>th</sup> and Bryant intersection: Residents have voiced concerns for the safety of pedestrians and cyclists at this intersection. Their proposal is to have flashing lights facing north and south on Bryant at the intersection. This would make the intersection more visible and hopefully, the motorists will pay more attention. The city has been contacted with the request.
