

East Harriet Farmstead Neighborhood  
Crime, Safety, Transportation and Noise Committee  
Minutes; June 20, 2011

Agenda:

Courtwatch: The new people of interest have been reviewed and added to the list. The total list can be reviewed at the link on the CSTN page.

National Night Out: National Night Out is August 2<sup>nd</sup>. Initiatives have been done to make this year's NNO the best yet. Last year 16 blocks from East Harriet registered and several other blocks held block get togethers that were not registered. Our goal this year is to get 25 blocks registered.

Block Club Leaders: The current list of block club leaders have been contacted. The list has been updated and these block club leaders have signed up for Action Alert e-mails. The Action Alerts are sent out when a crime has been committed in the neighborhood. The purpose is to keep all the residents of Minneapolis alert and aware of crime in their neighborhoods, so the residents can then respond accordingly.
