Crime, Safety, Transportation and Noise Committee
June 20, 2012 Monthly Report

Agenda;

Bike Ambassadors: The CSTN committee is working to get a bike ambassador program installed for Minneapolis. Bike ambassadors are volunteers who would be on their normal biking of the paths, but would be wearing a designated shirt. They help out in giving directions, informing what the symbols mean and giving gentle reminders on the rules of the road. The infrastructure is in place to get this accomplished. The committee is working with:

The city of Minneapolis

Transit for Livable Communities

Minneapolis Bicycle Coalition

Minneapolis Bicycle Advisory Committee

The next meeting for the BAC is the last Wednesday of the month. Information can be found on the City website.

Kyle's Market vandalism: Crime Stoppers has sent out an email with photos of the suspect. If anyone recognizes the person in the photos, they are encouraged to contact the police.

New Business: There was no new business.
